DETAILED ACTION

Election/Restrictions

1. Claims 14-22 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention, there being no allowable generic or linking claim. Election was made **without** traverse in Paper No. 8.

Drawings

2. Applicant has overcome the objection to the Drawings.

Claim Rejections - 35 USC § 102

3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
4. Claims 10 and 11 are rejected under 35 U.S.C. 102(b) as being anticipated by Hattori 5,981,305, as set forth in the previous Office action..

Allowable Subject Matter

5. Claims 1-9, 12 and 13 are allowed.

Response to Arguments

6. Applicant's arguments filed January 9, 2004, with respect to claims 10 and 11, have been fully considered but they are not persuasive. Applicant argues that Hattori is not concerned with the same problem as applicant, and does not form the ultra fine particle film for the same reasons as applicant. This is not persuasive. While Hattori may disclose a different use for the final produce, it does disclose the apparatus for forming the film as set forth in claims 10 and 11. It is noted that the features upon which applicant relies (i.e., that the final product is composed of one or more films) are not

recited in the rejected claim(s). Although the claims are interpreted in light of the specification, limitations from the specification are not read into the claims. See *In re Van Geuns*, 988 F.2d 1181, 26 USPQ2d 1057 (Fed. Cir. 1993).

Conclusion

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
